

Current Path

The screenshot displays the 'LAND INFORMATION LOCATOR' web application interface. The browser's address bar shows 'maps1.larimer.org'. The application header includes the Larimer County logo and the text 'Larimer County IT, Enterprise GIS'. A search bar is located in the top right corner. Below the header, there are navigation tabs for 'Home', 'Tools', 'Measure', and 'Markup'. The 'Measure' tab is active, showing a toolbar with icons for 'Distance', 'Area', 'Edit', 'Erase', and 'Clear'. A 'Measure' panel is open, displaying 'Yards (yd)' and 'Acres (ac)' units, along with options for 'Enable Snapping', 'Select Snapping Layers', and 'Plot Coordinates Coordinates'. The main map area shows a satellite view of a rural landscape with various land parcels outlined in yellow and orange. A blue line path is drawn across the map, with a callout box indicating a 'Total: 858.25 yd'. The path starts near a parcel labeled 'T11N R74W' and ends near 'T10N R74W'. Other parcel labels include '113500094', '400221701', '400210500', and '400210501'. A scale bar at the bottom left shows '0 200 400ft'. The bottom of the page contains a footer with links for 'Contact Us', 'Version Information', 'Larimer County GIS', 'Download Data', 'Disclaimer', and 'Satellite Imagery EULA'.
